

The Pride of Mexico! QS Latam keeps Tec in top 3 in Latin America

The Tec stands out in the Employer Reputation metric in the rankings compiled by the international rating agency Quacquarelli Symonds

11/11/2020

Tec de Monterrey is among the **top 3** of the best universities in Latin America, according to the **QS Latin America University Rankings 2021** carried out by the international rating agency **Quacquarelli Symonds**.

For the second year in a row, the Tec is **number 3** in **Latin America**, and **number 1** in **Mexico**.

The Tec and the **National Autonomous University of Mexico (UNAM)**, which is in **7th place**, are the only Mexican institutions **in the top 10**.

The **Pontifical Catholic University of Chile** and the **University of São Paulo**, Brazil, ranked first and second, respectively, in the annual ranking which highlights the best universities in Latin America.

Tec consolidates its position in the QS Latin America University Ranking

For **Juan Pablo Murra**, Rector of Undergraduate and Graduate Studies at Tecnológico de Monterrey, **reinforcing** this **position** in such an important ranking will allow the university to continue promoting **academic excellence** in different ways.

*"In the challenging panorama we are currently experiencing, this news encourages us to **continue inspiring** all the people who form the Tec community. We know that the **talent** and **commitment** that they bring to each of their activities is **reflected in this result**."*

*"Without a doubt, this recognition is for everyone because, thanks to their commitment, we have the **privilege of appearing year after year on this list**,"*

said Murra.

In general, the Tec improved its total score by **1.13 points**, going from **98.4** in the 2020 ranking, to **99.53** in the 2021 ranking.

This year, the ranking is made up of **410 Latin American universities**, representing **20 different countries**.

The Employer Reputation category is the Tec's best score in the rankings.

Employer reputation: Tec's strength

The ranking uses **8 evaluation metrics**, in which the Tec achieved the following positions:
